1. **Approval of minutes:** Approval of minutes for May 29, 2007 was postponed until the next MLAC meeting because the Members received the November 2006 minutes in error.
2. **Review and approval:** The Bureau of Licensure and Certification received a letter from Valerie Barilleaux requesting she be allowed to perform tests in bacteriology, mycology, virology and parasitology. She has been certified as a Specialty Technologist in Clinical Chemistry since January of 1993. The Medical Laboratory Advisory Committee discussed Ms. Barilleaux's qualifications and experience for performing tests for DNA kit type methodology Herb Brown, M.T. made the motion and Dr. Doberneck seconded the motion that Ms. Barilleaux be allowed to perform tests in bacteriology, mycology, virology and parasitology as a Specialty Technologist in Clinical Chemistry. All six members present approved.
3. **Public comment and discussion:** None.

There being no further business or comments, the meeting adjourned at 9:30 a.m.
